## DR KELLER

Welcome to our now famous dr keller collections. Established in 1995 this brand has gone from strength to strength and has become a 'must have' range. Incorporating leather and soft pu uppers in both ladies and men's on lightweight flexible soles with padded insocks these shoes are designed with comfort in mind. Touch-fastening designs offer wider fitting options and with diamantes or flower embellishments the collection has never looked better.

As well as your established favourite styles this additional new collection embraces the comfort your customer demands. With the introduction of our dr keller slippers you will have the complete comfort range available for your customers. Luxury soft uppers with memory foam insocks and machine washable options.

*Dr keller styles to pamper your feet.*
